

Pre-professional (PREP) Programs

Our new prep program was designed and created this year for intermediate and advanced level dancers. This program helps students improve upon their technique while working towards or excelling at an advanced level. All students in our prep program must be evaluated before joining to determine the best level for each dancer.

Students in our prep program will take Ballet and Turns & Leaps Technique classes but have the option of adding any and all dance styles to their repertoire.

Dancers also have the option of auditioning for one of our many companies or teams to expand upon their dance experience. Our Leesburg Civic Ballet classes perform in our annual Nutcracker and Spring Ballet. We also have select dancers that attend YAGP by invite only.

Costume and Competitions Fees

There are added expenses included for each competition routine that covers costumes, competition fees, extra rehearsals beyond normally scheduled, teacher pay at competition, competition gifts etc. Approximately \$50-\$60 per routine per month. Tuition rates above do not have these fees added. This can be broken into the monthly payments with tuition or half paid in September and half in January. Also, does not include tights, shoes, warm-ups, make-up etc.

Competition Team Boys-Free Tuition

Boys pay the Costume and Competition Fees for each routine, but no tuition charges. Monthly fees approximately \$50 a routine.
